

RACK CASES

VENT PANELS

Vented panel, specifically designed to add rigidity to rack frames. Punched with extra mounting holes to install into the top or bottom of the rack. Tough powdercoated finish.

Part Number	Size	Type
H5154	1U	Black Vented Panel (44mm)
H5155	2U	Black Vented Panel (88mm)

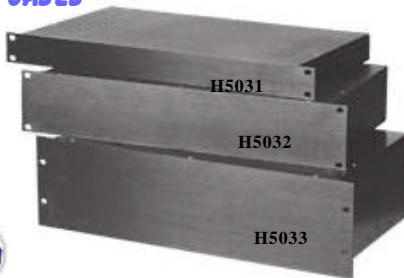

IU REINFORCEMENT VENTED PANELS

Vented panel, specifically designed to add rigidity to rack frames. Punched with extra mounting holes to install into the top or bottom of the rack. Tough powdercoated finish.

Part Number	Type
H5160	Black Re-inforcement Panel

RACK CASES

Available with raw or black anodised aluminium front panel. Each finish is available in 1U (44mm), 2U (88mm), or 3U (132mm) high. Overall depth 255mm. Mounting hole centres conform exactly to international racking specifications both vertically and horizontally.

Features:

- Raw aluminium or black anodised front panel
- 1.5mm aluminium rear panel for easy machining
- Steel sides and removable top and bottom steel panels.
- All dimensions conform to the international standard
- Ventilated lid
- Deluxe finish front panel
- Individually packaged
- Supplied in flat pack form- Easily assembled in minutes

All dimensions in mm

Part Number	Unit Height	Overall Height	Internal Height	Type
H5011	1U	44	38	Raw Aluminium
H5012	2U	88	81	Raw Aluminium
H5031	1U	44	38	Black Powdercoat
H5032	2U	88	81	Black Powdercoat
H5033	3U	132	128	Black Powdercoat

DELUXE RACK CASES

Modern design features a recessed bevelled front panel giving these cases a very professional appearance. The front panel is constructed from 1.2mm and the rear panel is constructed from 1.5mm aluminium making them very easy to machine. The one piece side panel rack ear combination is manufactured from 2mm steel ensuring a very sturdy construction. 255mm depth.

Features:

- Black textured powdercoat finish
- Aluminium & steel construction with removable top and bottom panels
- All dimensions conform to the international standard
- Ventilated lid

All dimensions in mm

Part Number	Unit Height	Overall Height	Internal Height	Type
H5035	1U	44	38	Black Powdercoat
H5036	2U	88	81	Black Powdercoat

RACK SHELVES

All models supplied in flat pack form, which assemble in minutes. All models feature tough black powdercoat finish. Simply screws to the rack frame. Suitable for equipment which does not rack mount, eg. CD players, tuners, videos, computer monitors

Extra heavy duty series includes rack ears front and back for extra support.

Part Number	Unit Height	Depth	Series
H5352	2U	325mm	Standard
H5353	3U	325mm	Standard
H5354	4U	325mm	Standard
H5362	2U	400mm	Standard
H5363	3U	400mm	Standard
H5364	4U	400mm	Standard
H5372	2U	425mm	Heavy Duty
H5373	3U	425mm	Heavy Duty
H5333	3U	325mm	Wall Mount
H5335	3U	400mm	Wall Mount

ABS PLASTIC RACK MOUNT CASES

The cases are made of strong ABS plastic and supplied in a knock-down form that can be assembled in seconds with just a screwdriver. Slats are moulded into the top and bottom covers to provide good cross-flow ventilation while moulded PCB standoffs allow printed circuit boards to be mounted directly onto the covers. The cases are a practical alternative to the traditional heavy metal cases and are much lighter when mounting in racks and easier to machine when fitting connectors, controls or panel meters etc.

Various sizes are available and all sizes are 200mm deep and come in black or beige.

Part Number	Unit Height	Overall Height	Colour
H5135	1U	44 mm	Beige
H5145	2U	88 mm	Beige
H5160	3U	132 mm	Beige
H5140	1U	44 mm	Black
H5150	2U	88 mm	Black
H5155	3U	132 mm	Black

3U SLIDING RACK SHELF/ LOCKABLE DRAWER

Ideal for mounting equipment which needs to be readily accessible for service or configuration. Tough black powder coated finish. Supplied in flat pack format which assembles in minutes. 320mm overall depth.

320L x 415W x 120H

Part Number	Style
H5340	Sliding Rack Shelf
H5380	Lockable Sliding Drawer

DELUXE HALF RACK MODULAR CASES

Similar in appearance to the deluxe full rack cases, these half rack modular cases offer great versatility to any product. The cases simply fit into a rack frame that mounts into the rack or alternatively may be mounted beneath a desktop or dash if required.

Overall depth 112mm, internal height 38mm and overall width 210mm.

Features:

- Black textured powdercoat finish
- Modular design
- Two piece solid steel construction

H4990 (Note: Equipment not included)

Part Number	Type
H4995	1U (44mm) Rack Case
H4990	1U (44mm) Rack Frame Mounting Kit
H4991	Under Desk Mounting Kit
H4992	Blank Panel

PORTABLE ROAD CASE

Constructed from aluminium extrusion and fitted with metal corners. This tough case will protect your valuable equipment from those everyday knocks often caused during transportation. Fitted with rack mounts for securing equipment quickly and easily.

Suits all 1 Unit 19" rack sized equipment (or 2 half rack units).

Overall dimensions: 375D x 503W x 66H

Internal dimensions: 365D x 490W x 53H

Part Number	Size	Type
H5901	1U	Road Case

There is a range of other accessories available on these Rack frames
