

COMPUTER LEADS

MONITOR EXTENSION

Part Number
CC9

DB9 plug to DB9 socket.
*9 pins wired
*2 metres

MONITOR EXTENSION

Part Number
CC10

DB9 plug to DB9 plug.
*All pins wired
*3 metres

NULL MODEM CORD

Part Number
CC11

DB9 socket to DB9 socket.
*6 pins wired
*2 metres

PC TO VGA MONITOR

Part Number
CC14

DB9 plug to High Density 15 pin plug.
*8 pins wired
*3 metres

VGA MONITOR CORD

Part Number
CC17

H/D 15 pin plug to H/D 15 pin plug.
*14 pins wired
*3 metres

VGA MONITOR EXTENSION

Part Number
CC18

H/D 15 pin plug to High Density 15 pin socket.
*9 pins wired
*3 metres

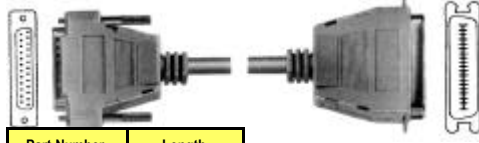

COMPUTER PATCH CORD

Part Number
CC20

DB25 plug to DB25 plug.
*All 25 pins wired
*Ideal for switch box to PC
*3 metres

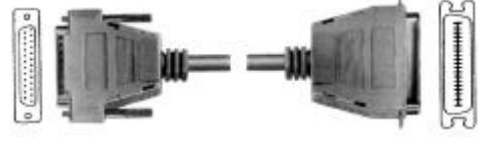

PRINTER CORD - PARALLEL

Part Number	Length
CC22	2 metres
CC22L	5 metres
CC22XL	10 metres

DB25 plug to Centronics 36 pin plug
*18 pins wired

BIDIRECTIONAL PRINTER CABLE

Part Number	Length
CC24	2 metres
CC24L	5 metres

Enhanced printer port cable.
DB25 plug to CP36 Centronics plug.
*25 pins wired

RS232 SERIAL EXTENSION

Part Number
CC26

D25 plug to D25 socket
*25 pins wired
*3 metres

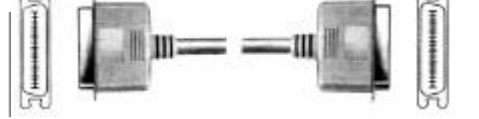

NULL MODEM CABLE

Part Number
CC27

DB25 socket to socket
*9 pins wired
*2 metres

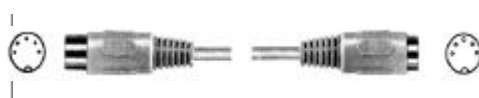

CENTRONICS EXTENSION CORD

Part Number	Description
CC62	36 Plug to 36 Plug
CC63	36 Plug to 36 Socket

*25 pins wired
*2 metres

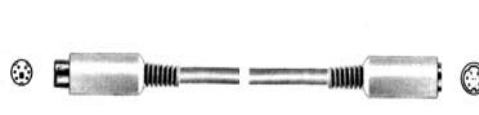

KEYBOARD EXTENSION

Part Number
CC35

PCAT/XT keyboard extension.
*5 pin DIN plug to 5 pin DIN socket
*5 pins wired
*1.8 metres

KEYBOARD EXTENSION CORD

Part Number
CC37

PS2 keyboard extension
*6 pin mini DIN plug to 6 pin mini DIN socket.
*6 pins wired
*1.8 metres

CAT 5 NETWORK PATCH CORDS

Austel approved Cat 5 Network patch cords fitted with approved connectors. Patch cords use stranded conductors as against long cable runs that use solid core.

Part Number	Length
CAT502	2 metre
CAT505	5 metre
CAT510	10 metre

CAT5 RJ45 PLUG

Part Number	Length
PT88	Standard clear
PT88RS	Shielded Plug

RJ45 plug designed to accept Cat 5 Cable. Austel approved.

CAT5 RJ45 SOCKET

Part Number
TS88R

RJ45 socket designed to accept solid core Cat 5 cable. Colour coded terminal cover. Simple clip down operation.

RJ45 WALLPLATE BLANK

Standard Australian size wallplates with RJ45 socket outlet position. Suits TS88R sockets. Screws and caps supplied.

Part Number	Style
TWS451	1 Position
TWS452	2 Position
TWS453	3 Position

LAN CABLE TESTER

Part Number	Style
D3015	
Q1054	Carry Case

This compact unit can test continuity, open/short and cross wired LAN wiring or modular leads. *Auto/Manual mode *LED indicators for all connections

BREAKOUT BOX

RS232 testing and monitoring.
*Ten tricolour LED indicators monitor status of the primary signals.
*DB25 socket to DB25 plug.
*All pins wired and switchable.
