

PLIERS

LONG NOSE PLIERS

High quality, heavy duty construction. Serrated jaws. Incorporates cutters. Length \approx 160mm

Part Number
T2815

LONG NOSE PLIERS

General electronic use. Smooth jaws. Length \approx 140mm

Part Number
T2760

CURVED LONG NOSE PLIERS

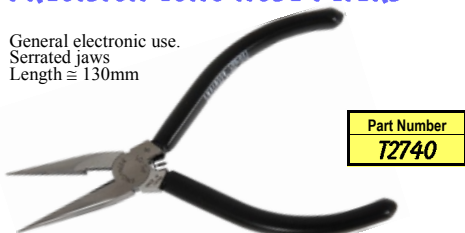

Offset jaws for working in confined and awkward spaces. Smooth jaws. Length \approx 135mm

Part Number
T2780

PRECISION LONG NOSE PLIERS

General electronic use. Serrated jaws. Length \approx 130mm

Part Number
T2740

MINI LONG NOSE PLIERS

For bending component legs, IC pins etc. and general use. Smooth jaws. Length \approx 120mm

Part Number
TL10328

LONG NOSE PLIERS

German Designed Strong dropped forged with serrated jaws with cutters. Length \approx 170mm

Part Number
TH1986

8" BULL NOSE PLIERS

Part Number
T2800

High quality, heavy duty construction. Serrated jaws. Incorporates cutters. Length \approx 210mm

LONG NOSE PLIERS

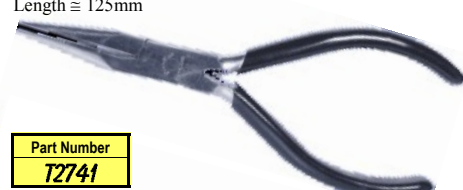

Stainless Steel—Rust Resistant Spring Loaded Action Length \approx 140mm

Part Number
TH1888

LONG NOSE PLIERS

Stainless Steel—Rust Resistant Spring Loaded Action Length \approx 125mm

Part Number
T2741

LONG NOSE PLIERS

Precision Spring Loaded Action Length \approx 135mm

Part Number
TSA43

CURVED NOSE PLIERS

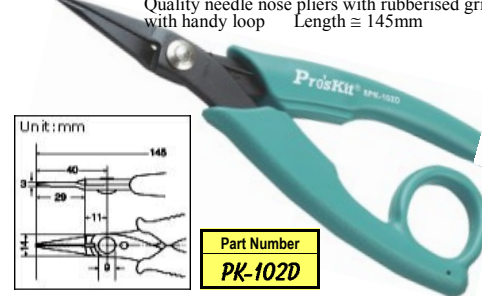

Quality Curved nose pliers with rubberised grip with handy loop Length \approx 145mm

Part Number
PK-105D

NEEDLE NOSE PLIERS

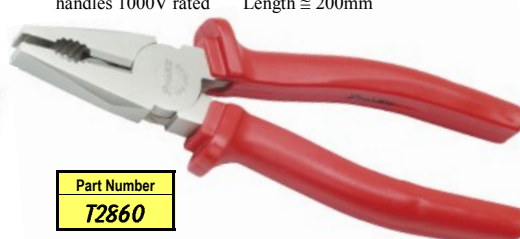

Quality needle nose pliers with rubberised grip with handy loop Length \approx 145mm

Part Number
PK-102D

HEAVY DUTY INSULATED PLIERS

Bull nose pliers/ cutter with serrated jaws. Rubber Insulated handles 1000V rated Length \approx 200mm

Part Number
T2860

ADJUSTABLE LOCKING PLIERS

Part Number
PK-378C

Adjustable Locking plier grips with serrated bull nose jaws Length \approx 180mm

SNIP NOSE PLIERS

Quality German Made Snipe Nose Pliers with Serrated Jaws Length \approx 120mm

Part Number
CK3772

SNIP NOSE PLIERS

Quality German Made Snipe Nose Pliers with Smooth Bent Jaws Length \approx 120mm

Part Number
CK3767

HEAVY DUTY PLIERS

Redline Premium German Made Combination Pliers Extra Long Cutting Edge Length \approx 180mm

Part Number
CK3867

PRO PRECISION LONG NOSE PLIERS

Combination Pliers/Cutters with rubber grips and Serrated jaws Length \approx 140mm

Part Number
T2735

FLAT LONG NOSE PLIERS

Quality Flat long smooth nose pliers with rubberised grip with handy loop Length \approx 145mm

Part Number
PK-104D

HEAVY DUTY INSULATED PLIERS

High Quality Bull nose pliers/ cutter with serrated jaws. Rubber Insulated handles 1000V rated Length \approx 180mm

Part Number
TH1984

INSULATED LONG NOSE PLIERS

Combination Long nose Plier/ cutter with Serrated Jaws. Rubber Insulated Handles 1000V rated Length \approx 150mm

Part Number
T2870
